Term and Conditions of Enrollment

Depending on availability, some flexibility may be approved in selection of days of attendance. Please refer to classroom schedule / curriculum goals on the web browser for a breakdown of the daily schedule.

1. School tuition is computed on an annual basis and divided into 12 equal monthly tuition payments.
2. Tuition is due monthly, on the first school day of the month.
3. Tuition is considered delinquent on the fifth day of the month and subject to a late fee of 10%. If tuition is delinquent on the tenth day of the month, the child will be refused admittance and access card will be voided until tuition is paid.
4. There will be no tuition credited against holidays, family vacations less than two weeks, or days on which the student is out sick.
5. If a child enters school as a new student before the 15th of the month, a full month's fee will be charged. If a child enters school as a new student after the 15th of the month, a fee equal to half a month's tuition will be charged.
6. No credit will be given for absences. No "make up days" are recognized.
7. Tuition payments are to be made by personal check, money order, or cashier's check.
8. A service charge of \$20.00 and any other appropriate charges will be added to your monthly tuition for each bank check returned to the school unpaid for any reason.
9. If it becomes necessary to withdraw your child from school, we require 2 weeks' notice; no tuition credit will be given.
10. Parents who do not pick up their child by 6:00 PM will be charged a late fee of \$1.00 per minute you are late.
